Jason Conti is a trial and appellate attorney with over 26 years of experience handling complex, high-stakes commercial and partnership disputes, UCC contract litigation, property tax appeal litigation, real estate litigation, and intellectual property, trade secrets, and computer software litigation. He is a partner in the firm's Commercial Litigation Practice.

Jason has successfully represented publicly and privately owned corporations, manufacturers, real estate developers, property owners, national retailers, software developers, media clients, partnerships, and taxpayers in state and federal trial and appellate courts, and administrative agencies. He has obtained numerous verdicts, published court decisions, settlements, and dismissals in favor of his clients, including over US\$100 million in property tax refunds for his property owner clients.

Representative Experience*
